JUDGING

Judges consider introduction information, unusual attributes (ugliness) and personality of each pooch.

Judge’s decision is final.

Rules:

1. Registration/Introduction (R/I) form MUST be completed and disclaimer signed in order to compete.
2. Pooches may only compete in their birthday suits unless a diaper or other protective/medical device is necessary but it must be as plain as possible. We are looking for natural “ugliness”. Pooches can’t be intentionally altered in any way to enhance their appearance in order to compete in the contest. Judges and/or show organizers reserve the right to refuse a pooch they deem unnaturally enhanced or altered.
3. Pooches must be free of any communicable disease. The Warren County Farmers’ Fair reserves the right to request a clean bill of health from a vet before the competition.
4. Pooches must remain under control of the owner/handler while on the fairgrounds. If any pooch shows any signs of aggressive/uncontrollable behavior, the pooch and owner/handler may be removed from the fairgrounds. Any inhumane or inappropriate action toward the pooches will be grounds for disqualification and removal from the fairgrounds.
5. Winners agree to have photo(s)/video(s) taken and used by the Warren County Farmers’ Fair for promotion and publicity.
6. Owners/handlers MUST clean up after their pooches and must bring their own waste disposal bags!!!!
