GENERAL DRIVER RULES:

1. All Drivers Must Have A Valid Drivers' License
2. 16-18 Year Old Drivers Must Have Parental Consent Form Filled Out Before Entering Tractor Pull
3. All Drivers Must Have DOT Regulated Helmet, Must Have Long Pants, Shirt, Closed Toe Shoes.
4. All Owner Operators Of Tractors Enter The Fair And Pull At Their Own Risk
5. No Riders On Tractor at Any Time of Fair Including The Pits
6. No Hot Dogging or Fast Driving Will Be Allowed
7. No Use of Alcoholic Beverages or Controlled Substances at The Fair or in the Pits Will Be Barred from Any Competition for 2 Years from Date of Violation
8. **All drivers are responsible for lining up correctly. If not in line you cannot drop down without committee approval or you will pull exhibition**

General Tractor Rules:

1. All tractors are restricted to a **MAX 3000 RPM LIMIT. No Exceptions!**
3005 RPM'S Will Be Disqualified
2. Tractor engine must have stock block and or factory replacement for that make and model.

3. All engines must be naturally aspirated, no turbos unless factory equipped for that make and model. This applies to Division 1 only. If engine is turbo charged, it must be straight piped, curved pipes forward or a muffler maximum 3" turbo & A pumps.
4. All Carburetors must be stock OEM unless presented to rules committee with reason. This applies to Division only.
5. Only pressurized fuel tanks allowed will be factory LP gas. No Alcohol or Nitrous oxide fuel or water injection allowed.
6. Minimum Hook Length of 18 -inches from center of axle to hook point in all divisions.
7. All hitches must be stationary and have 3 ½ inch hole. No pulling on 3 Point hitch drawbars allowed. Clevis Hitches will not be permitted. Drawbar height will be no more than 20 inches. No top bracing to hitch except complete factory setup.
8. Tractors must have working brakes and stock hood in place for that tractor make & model.
9. Tin Wheels are permitted in all Divisions for tractor tire size.
10. Any rotating PTO shaft that cannot be stopped by hand must be shielded.
11. Wheelie bars CAN NOT be attached to hitch. Wheelie bars must be effective and are subject to inspection by committee.
12. All weights must be secured to Tractor. Liquid ballast only in tires. No weights on operator platform of tractor. Any weight on tractor or equipment lost during pull or at shut down will result in automatic disqualification.
13. Added ballast in form of iron weight allowed. No weights may extend 24 inches beyond the foremost part of tractor or 12 inch beyond outside of rear wheels. No weight may extend beyond back of rear tires.

14. 4WD tractors can compete with 2WD tractors as long as front wheels are not working and No duals.
15. NARROW FRONT-ENDS PROHIBITED ABOVE 9500 LB CLASS UNLESS EQUIPPED WITH WHEELIE BARS. NO EXCEPTIONS.
16. All tractors must be weighed and approved for every class and division entered.
17. **NO CUT OR SHARPEND TIRES ALLOWED IN ANY STOCK CLASSES ALL DIVISIONS. NO EXCEPTION TO THIS RULE.**
18. **Hitches must be made out of 1" steel plate no clevis's. Plates must be 1" thick with an egg shaped hole 3" wide by 3 1/2" - long edge toward hook must be 1" from hole.**

GENERAL TRACK RULES:

1. When hooking to the sled driver must keep eye contact with Hook and Unhook man, with hands in the air, Brake on and Tractor in Neutral.
2. No portion of the tractor may interfere with the sled or hitch or pull chain. Hook person has the right to refuse to hook if unsafe.
3. Chain must be tight and ABSOLUTELY no jerking from start, or automatic disqualification results.
4. Sled operator determines if sled is set correctly and gives flag person ok to start the class.
5. All operators take starting & stopping from flag person at all times.
6. Any track decisions will be made by flagman or rule committee including dis-qualification. All decisions are final.
7. No tractor front-end may exceed 18 inches off the ground during pull unless equipped with wheelie bars. The flagman will have final say.

8. Any operator that stops before 75 feet can start over.
9. Tractor can pull in 2 different weight classes but must pull in same division in both classes. **NO EXCEPTIONS TO THIS RULE!**
10. **DRIVER MUST FOLLOW SPEED LIMIT FOR THE CLASS & DIVISION ENTERED. IT IS THE DRIVERS RESPONSIBILITY TO WATCH THEIR SPEED. FLAGMAN WILL GIVE DRIVER 1 WARNING BEFORE 100 FOOT MARK. AFTER 100 FEET IF SPEED IS EXCEDEED DOWN THE TRACK, DRIVER AND TRACTOR WILL BE DISQUALIFIED.**
11. Tractors will be weighted and placed in divisions and classes that the tractor has qualified in. See Division Qualification Rules For Each Class.
12. Competitors **MUST** re-weigh after pull before re-entering the pits.
13. If you move the cone you are subject to tech check and a re-weigh of tractor.
14. **UNSPORTSMAN LIKE CONDUCT WILL NOT BE TOLERATED!!** Offenders will be removed from the event immediately without refund. **NON NEGOTIABLE!!**

Miscellaneous Rules:

1. Committee has right to change any rules day of pull as needed.
2. The Tractor Pull Committee has the right to oversee any part of the pull and make any changes and decisions needed.
3. Any protest of tractor must be made to officials immediately after its pull with a cash only \$25 complaint fee. The protestor must pull in the same class of questioned tractor. If upon inspection any track officials that the questioned tractor is proven illegal the tractor is disqualified and the \$25 returned to the protestor. If tractor is proven legal \$25 fee is forfeited to Fair.
