Show Rules

Registration-5-6pm only; no cars before 5pm or after 6pm please

Voting 6 to 7pm, awards to follow

Driver and one passenger in the vehicle are admitted free of charge.

Our veterans will show you where to park, look for the Hawaiian shirts and get you registered. There is no registration fee, just come to the fair on Monday night.

You would enter the fairgrounds off of Stryker's Road through the center gate where one of our Legion Post members will show you where to go. Drive slowly onto the grounds staying straight and go past the fair office and turn left, and we will line you up and get you parked. Come to our registration table and fill out your paperwork and get your number for judging purposes. We do peer judging and numbers on cars will be colored coded with the year of the car. You will vote for the other three categories that you are not entered in.

Bring a lawn chair to sit and relax, take a walk around the fair, purchase some delicious good ole' fashioned comfort food at one of the food stands and visit with the other drivers and reminisce on the 'good ole days' while making new friends or seeing old ones.

For God and Country,

Milly Rice, Post Adjutant
