The Fair is recruiting Building Watch Volunteers for 2-hour shifts for the Home & Garden Building during the week of the 2019 Farmers' Fair – July 27 - August 3

In order to have the Home & Garden Building open to the public, a volunteer must be on staff in the building at all times. Responsibilities of the volunteer includes sitting in the building and periodically walking around the building to make sure everything is undisturbed. Volunteers who have the first shift each day are to water the herbs, as needed.

Volunteers also ensure that nothing is removed from the building until the scheduled time for pickup at the conclusion of the Fair. If there is an exhibitor who does not want to comply with this rule please contact the Fair Office at 908-859-6563.

We value your time as a volunteer. As a volunteer you will be given a complimentary one-day or weeklong pass, depending on the number of shifts/days you sign up for.

Please consider signing up for multiple shifts on multiple days. If you sign up for 1-3 days of building watch you will receive a complimentary one-day pass for each day. If you sign up for 4 or more days you will receive a weeklong pass.

Please return your choices for a first come-first serve basis so a schedule can be set up and your information and passes mailed to you prior to the Fair opening.

We appreciate your signing up before July 13 or at the latest July 20th! You will receive confirmation of your times and days along with your passes prior to Fair opening.
