

2019 BIG WHEEL RACE

30th Anniversary 1989-2019

Warren County Farmers' Fair

Sponsored by:

The American Legion Carl D. Archer Post 528, White Twsp

Saturday, August 3

Registration 12:30pm

Racing starts at 1pm on the dance floor

Rules and Regulations

Various sized big wheels are provided by The American Legion and Farmers' Fair Association

This year marks our 30th anniversary of the Big Wheel Races at the WC Farmers' Fair! Veterans first sponsored this event in 1989 after seeing it at another fair in NJ.

The American Legion members of Post 528 in White Twsp. would like to invite any of our past winners to come to the fair on Saturday, August 3 with your trophy or medal that you won when you raced. A group picture will be taken with the veterans and the past winners.

As in the past, any boy or girl two to eight years of age may enter. No registration fee is required and helmets are optional. Wear your favorite NASCAR racer tee shirt.

This year we want to encourage the family members and friends to cheer their favorite driver on during the race- show your 'team spirit' and wear your favorite NASCAR driver shirt along with your 'little driver'. A special award will be given to the team with the most 'team spirit'.
(free ice cream sundaes from Mackey's Ice Cream Barn)

Shoes that cover the feet completely are required (sneakers, boots or similar type footwear, no sandals please). Any other safety equipment the parents deem necessary is recommended as we run the race on asphalt.

By signing the registration form you are agreeing to abide by the disclaimer and hold the Fair Association and all committee members harmless in the event of any injury associated with the participation in this event.

Race Course

Courses are set up for the various ages with older children having a figure '8' pattern to ride with straw bales to go around. Racing flags and checkered pennants also surround the race course. The race will be on a timed basis-with one racer on the track at a time along with his 'pitcrew members' to cheer them on.

Each racer will be competing against the clock.

If we have any 1 or 2 year olds they can scoot on the smaller bikes. We start with the three year olds and progress up to the eight year olds. We have purchased a few newer big wheels and can adjust the seats accordingly. The one with the fastest time will take the blue ribbon and the 'gold' medal with others placing second through fifth in each age category also winning a medal this year. In the event of a tie, we will have a run off.

This event has shown to be a favorite for the younger children as well as for the Veterans from The American Legion, Carl D. Archer Post 528 in White Township; who organize and sponsor the event.

If you have any questions, please call Milly at 908-475-1755 or check us out on the web:
