Show Rules

Registration-3:30-4:30pm, cars will be parked according to your car's age division (look for blue, red, green or purple signs for years as shown above) with voting and awards to follow

The driver and one passenger in the vehicle are admitted free of charge. Our veterans will show you where to park, look for the Hawaiian shirts to get you registered. There is no registration fee, just come to the fair on Monday afternoon.

You would enter the fairgrounds off of Stryker's Road through the center gate (look for legion sign or Legionnaire in Hawaiian shirt) Drive slowly onto the grounds staying straight and go past the fair office and turn left, and we will get you parked. Come to our registration table and fill out your paperwork and get your number for judging purposes. We do peer judging and numbers on cars will be colored coded with the four divisions, as noted above. All drivers will be allowed to vote in all categories.

Bring a lawn chair to sit and relax, take a walk around the fair, purchase some delicious good ole' fashioned comfort food at one of the food stands and visit with the other drivers and reminisce on the 'good ole days' while making new friends or seeing old ones.
