Warren County Farmers' Fair

Sunday, July 26 at 2pm (new day and time)

Registration 1:30-2pm • Racing starts at 2pm on the dance floor

Rules and Regulations

Various sized big wheels are provided by The American Legion Post 528

As in the past, any boy or girl eight years of age and under may enter. No registration fee is required and helmets are optional. Shoes that cover the feet completely are required (sneakers, boots or similar type footwear, no sandals please — for your child's safety). Any other safety equipment the parents deem necessary is recommended as we run the race on asphalt.

By signing the registration form you are agreeing to abide by the disclaimer and hold the Fair Association and all legion committee members harmless in the event of any injury associated with the participation in this event.

Race Course

Courses are set up for the various ages with older children having a figure '8' pattern to ride with straw bales/cones to go around. Racing décor surrounds the race course. The race will be on a timed basis-with one racer on the track at a time along with his 'pitcrew members' to cheer them on. Each racer will be competing against the clock

If we have any 1 or 2 year olds they can scoot on the smaller bikes, then we go to the three year olds and progress up to the eight year olds. The one with the fastest time will take the blue ribbon and the 'gold' medal with others placing second through fifth in each age category also winning a medal. In the event of a tie, we will have a run off.

This event has shown to be a favorite for the younger children as well as for the Veterans from The American Legion, Carl D. Archer Post 528 in White Township; who organize and have sponsored this event since 1989.
