## Show Rules

Registration – 3:30-5pm, cars will be parked according to your car's age division (look for blue, red, green or purple signs for years as shown above) with voting and awards to follow

The driver and one passenger in the vehicle are admitted free of charge. Our veterans will show you where to park. Look for the Hawaiian shirts to get you registered. There is no registration fee – just come to the Fair on Monday afternoon.

You will enter the fairgrounds on Stryker's Road, either at the north or south end, either before or past the cell tower, depending on which gate you enter. Instead of entering the fairgrounds you will park in the grassy area by the cell tower, in the shady area.

A Legionnaire in a Hawaiian shirt will guide you to the parking area. After parking, come to our registration table and fill out your paperwork and get your number for judging purposes. We do peer judging and numbers on cars will be colored coded with the four divisions, as noted above. All drivers will be allowed to vote in all categories.

You will be able to enter the fairgrounds at the center back gate to purchase some delicious good ole' fashioned comfort food at one of the food stands. Bring a lawn chair to sit and relax, take a walk around the fair, and visit with the other drivers and reminisce on the 'good ole days' while making new friends or seeing old ones.
