

Shake Your Tail Feathers

Ages 8-12

Each contestant receives a box to secure around their waist using the adjustable strap attached to the box. The box will be attached facing the contestants' back. The Contest Caller will fill each box with the same number of ping pong balls in each box. Once the Caller starts the contest, the contestants will jump, move and jiggle the box to remove all of the balls without using their hands. The first contestant to get all of the balls out of the box wins the contest.

There is a ribbon awarded to 1st through 5th place contestants.
