

Veggie Fear Factor

Ages 8-12

10 Contestants

Each contestant receives a covered cup of mystery veggies, when the Contest Caller says to start, the contestant will open the container and eat the entire contents within the allotted time. Those who complete the round within the allotted time without spitting it out will advance to the next round of of mystery veggies until the final round. The first contestant to finish all four rounds of mystery veggies and swallows it without spitting it out wins the game.

There are four rounds total and Ribbons given to 1st thru 5th place winners.
